### HOW TO USE CHEF V'S HEALTHY ROUTINE

During the 21 Day Challenge, after your first and second cleanse, you will be on the my very own Healthy Routine. During Chef V's Healthy Routine, it is important to have 16 oz. of Chef V's Organic Green Drink first thing in the morning, before you eat anything.

You can have the plain Chef V's Ultra Shake provided with water or create a smoothie from the recipes below, using the Ultra Shake in the smoothie. Then follow the schedule and enjoy a delicious lunch recipe or mix and match to create a great meal from my portion chart, which is also a great tool to use for eating out.

#### **Breakfast**

16 oz. Chef V Organic Green Drink (wait 15-30 minutes before smoothie)

Chef V Smoothie:

1 Chef V Ultra Shake packet with choice of Chef V Smoothie recipes. You can also just mix with water in your Chef V Blender cup (like on your cleanse). If you get bored with smoothies (I'm not sure how that could happen but..), I have a list of recipes at the bottom of this page for easy meals to replace your breakfast.

4 oz. smoked wild salmon, sliced thin  
½ avocado, sliced thin  
sliced red onion (optional)  
1 tsp. capers (optional)
